CPOE
Computerized Provider Order Entry Select Rewards Program

What is it?
CPOE Select Rewards is a tiered program geared to reward providers as they expand their use of CPOE (Computerized Provider Order Entry).

How are providers enrolled in the CPOE Select Rewards Program?
Enrollment is automatic as you or your group begins CPOE.

How does it work?
Providers qualify for monthly raffles based on meeting or exceeding CPOE percentage goals for their assigned tier.

When will winners be announced?
Winners will be announced the second Monday of every month, beginning in April.

CPOE Monthly Raffle includes several prizes including an i-Pad mini.

Individualized program details will be sent out to providers. Please call CPOE hotline at x2763 (xCPOE) if you have any questions.
Thank you to all the physicians who attended the Doctor’s Day Celebration at Torrance Memorial on Wednesday, March 27th. The event was a success with many physicians attending to enjoy a great meal, music and prizes. Congratulations to Dr. Lauren Nguyen and Dr. James Flores, the two lucky winners of the iPad mini and the thirty physicians who also won gift cards to Nordstroms, California Pizza Kitchen, HealthLinks, Starbucks and iTunes.

Torrance Memorial appreciates our physicians’ dedication and commitment to the health of our community.
