

Directions:

If you wish to MapQuest the hospital, our address is:

**3330 Lomita Blvd.
Torrance, CA 90505**

The pediatric Rehabilitation area is NOT in the main hospital. We are located on the 5th floor of the WEST tower. The west tower is a separate 5 story building that is next to the WEST parking structure.

The actual address of our building is:

**3325 Medical Center Dr.
Torrance 905050**

Rehabilitation is on the 5th floor of the West Tower building

If you are coming off Lomita Blvd., you will turn south at the traffic signal onto Medical Center Drive. At the 4th stop sign you will turn right into the WEST parking structure to park. If you are entering from Skypark Dr. you will turn north on Medical Center Dr. and turn left into the WEST parking structure at the 2nd stop sign.

After you have parked inside the structure, walk out of the parking structure on the ground floor and walk into the WEST tower. Take the elevator to the 5th floor, turn left off the elevator until you see our secretaries on the left side of the hall. Plan to arrive at your first visit 15 minutes early with your paperwork already filled out.

Please leave ample time to find parking and to walk to our department. If you are late for your appointment the evaluation time will be reduced. If you are going to be more than 5 minutes late or you are not going to come to the visit, please call us 310-517-4735 X 26989 to notify us ASAP.

Thank you,

The pediatric rehabilitation staff
